

CABINET REFACING

COMPREHENSIVE SOLUTIONS FOR THE REFACING PROFESSIONAL

With quality craftsmanship built on over six decades of industry experience and thousands of combinations to choose from, we take pride in our ability to adapt and meet the changing needs of our customers.

Our commitment to consistency, predictability and reliability in manufacturing allows you to install with confidence and with timely results. Of course, our products are always backed by our legendary Valley Custom Door™ customer service, giving you technical expertise, product details, and unique insight.

RENEW with our vast array of door styles and our extensive selection of finishes and materials, including TFL. Custom paint and stain matches are also available.

RECONFIGURE storage with increased cabinet heights, custom drawer layouts & creative inserts.

RECOMMEND options that improve the effectiveness of the workspace with custom drawer boxes and components for islands.

REPLICATE the beauty and craftsmanship throughout the home with custom paneling, moulding & millwork, fireplace surrounds and mantels.
